Resources for Mutual Accountability

Leadership Reflection

What is your “must win” you need to have this week to see coaching in your movement be more effective?

Leader Reflection Worksheet

This is my “one win” of the week:

What “habit of the heart” am I using this week to connect with God?

What “habit of the mind” am I using to keep my mind healthy and alert?

Who are a few people in my professional life I need to check in on this week?

What is my sense of what God is saying to me right now? What scriptures is He giving me?
