

A photograph of a modern, light-colored desk. On the desk, there is a silver laptop open, a white smartphone, a stack of books, and a pair of black headphones. The background is a bright, out-of-focus room with a window and a small potted plant.

ACCELERATE WEBINAR SERIES

WELCOME

Church Multiplication Partners was birthed out of a great vision to see church planting accelerate throughout the myriad of denominations, associations and networks across North America.

We are seeking to hit the key leverage point in multiplication by serving those catalytic leaders who lead multiplication ministries.

Church Multiplication Partners seeks to be trans-denominational in scope by providing assistance to those who can without reservation agree with [The NAE Statement of Faith](#).
