

ACCELERATE WEBINAR SERIES

WELCOME

Church Multiplication Partners was birthed out of a great vision to see church planting accelerate throughout the myriad of denominations, associations and networks across North America.

We are seeking to hit the key leverage point in multiplication by serving those catalytic leaders who lead multiplication ministries.

Church Multiplication Partners seeks to be trans-denominational in scope by providing assistance to those who can without reservation agree with [The NAE Statement of Faith](#).

John Calvin

- Know God and know yourself
- These two efforts are intertwined and interwoven
- “Our wisdom, in so far as it ought to be deemed true and solid wisdom, consists almost entirely of two parts: the knowledge of God and of ourselves. But as these are connected together by many ties, it is not easy to determine which of the two precedes, and gives birth to the other.” John Calvin, Institutes, volume 1.

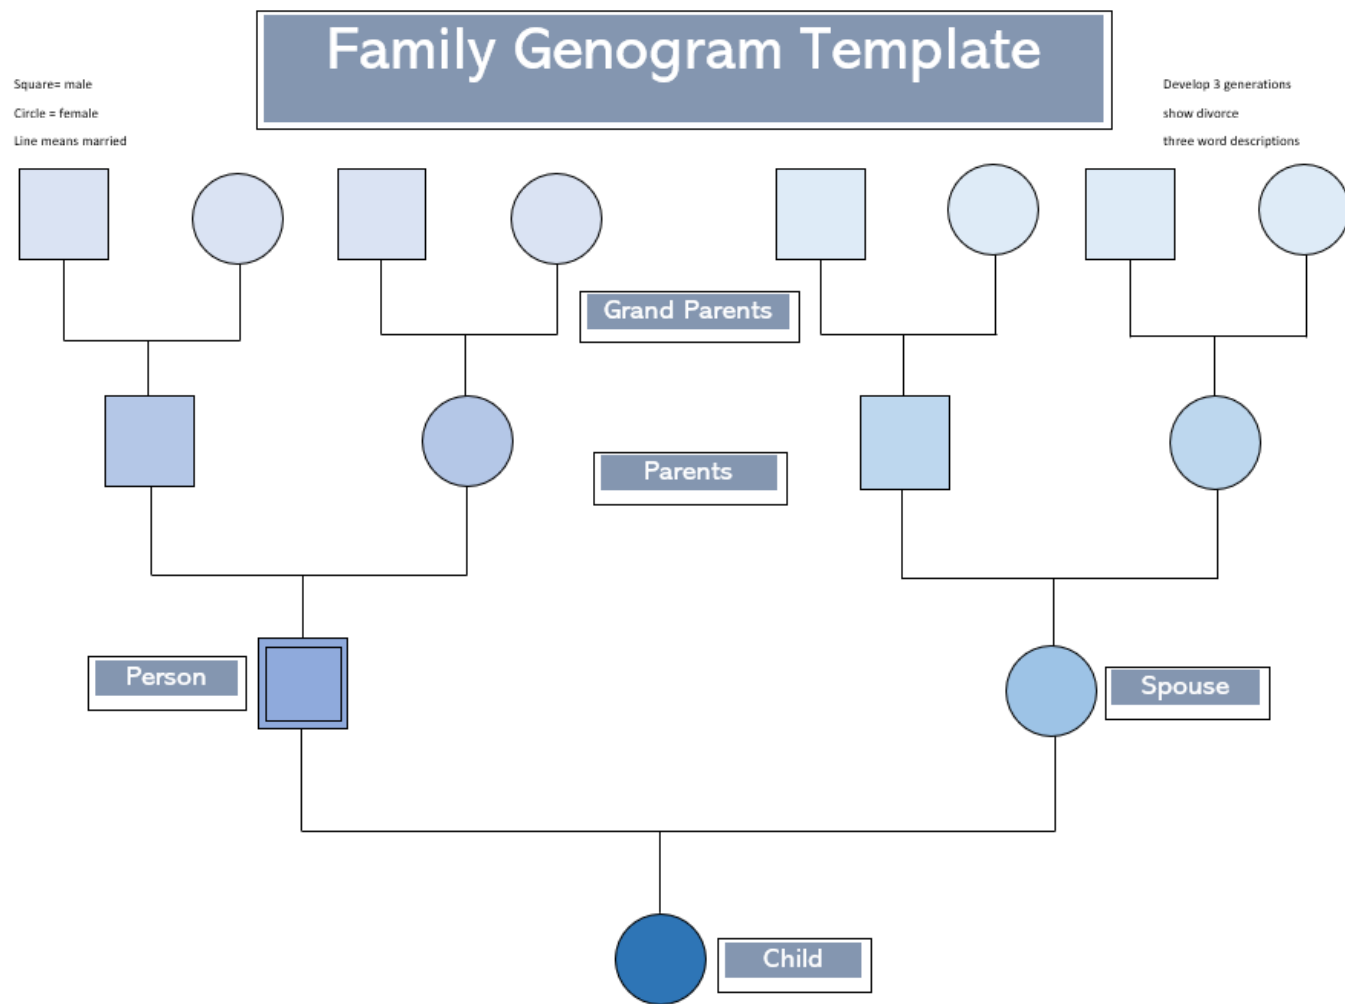

Giant Materials on Leadership

- "Know yourself to lead yourself to become a leader worth following."

Socrates

- "The unexamined life is not worth living."

Do you know your people's vulnerabilities?

THE
POWER
OF FAMILY

What is the soul?

- Genesis 2:7
- The soul is the spiritual binding element that weaves all aspects of your humanity together into one person.

Five
Dimensions
of who you
are

John Ortberg

- “The soul is the capacity to integrate all the parts into a single, whole life. It is something like a program that runs a computer; you don’t usually notice it unless it messes up.” p. 42 Soul Keeping

Soulish Longing

- Psalm 63:1-8
- "my soul LONGS for you..."
- The soul craves satisfaction

Question

- How do you know when/if the soul is unhealthy?

Lance Armstrong

Mark Driscoll

Me

Mark 8:36

Question

- What does a healthy soul look like?

Assess for Whole Life Health

Do you know your planter's vulnerabilities and is this part of their assessment?

What is their marriage like, their money management, their recreation, etc?

Normalize and do Check Ups

- Is it okay to struggle in your ministry paradigm?
- Do you only celebrate big successes?
- Do you ask probing questions through coaching?

Do you
model
sustainable
rhythm?

- Do you practice a regular day off and routine disengagement? Do you expect/teach that your planters have a regular day off and is vacation built into your model?
- Are you boundaried with your phone at dinner and in the evening?
- What part of the five areas is likely the most neglected (physical, spiritual, emotional, intellectual, relational)?

Self Assessment

scale 1 to 5

- Without feeling guilty, I freely take time to care for my whole being.
- My pace of life is manageable and sustainable with margin to reflect and be quiet while rarely feeling overwhelmed.
- My physical health is good and I routinely exercise to stimulate my heart and lungs to build endurance and strength.
- I live a reflective life where I am able to know what is going on inside of my heart and mind at the end of every day.
- I have friendships which are life giving and go beyond surface level conversation.
- I routinely take time to read the scriptures, reflect, and apply them to myself and not as part of some sermon prep or board meeting agenda.
- I have a routine scheduled weekly day off and I know when my next vacation is planned.

My leadership axiom

- I must do what only I can do, that if I don't do it, it won't get done

Self Challenge Question

- What one thing could I begin doing that would significantly contribute to my overall health and joy?

Stephen Covey

- "It is easier to say 'no' when there is a deeper 'yes' burning within."

7 Habits of Highly Effective People

Hebrews 12:1-2

- Sin that entangles
- Run with endurance
- Question: what area of YOUR life could cause you discouragement that you would consider quitting?

What Fills Your Tank?

- Ecclesiastes 2:24
- Often it is simple restorative things that make the biggest difference in our souls longing for satisfaction.

Soul care and soul wounds

- Where has your soul been wounded in life and what vulnerabilities are created for you?

Soul Satisfaction

- CS Lewis: "Now God designed the human machine to run on Himself. He Himself is the fuel our spirits were designed to burn, or the food our spirits were designed to feed on. There is no other."

Psalm 103

- “Bless the LORD, O my SOUL, and all that is within me, bless his holy name! Bless the LORD, O my SOUL, and forget not all his benefits, who forgives all your iniquity, who heals all your diseases, who redeems your life from the pit, who crowns you with steadfast love and mercy, who SATISFIES you with good so that your youth is renewed like the eagle’s.
